

Process of Accreditation

The process of accreditation can be grouped into the following four sequential stages essentially in the same order. These stages are: i) Initial Stage; ii) Pre-Assessment Stage; iii) Assessment Stage; and iv) Post Assessment Stage (Decision-Making). Applicant institution must complete the previous stage, before proceeding to the next stage.

After filing the initial registration form, user gets user-id and password to fill the Complete Registration Form. Fig.1 is screen shot of initial registration and login interface for registered institutions.

The screenshot displays the 'ACCREDITATION WORKFLOW Management System' interface. At the top right is the 'eNBA NATIONAL BOARD ACCREDITATION' logo. The main content area is titled 'LOGIN' and contains a form with the following elements:

- Username input field
- Password input field
- Buttons for 'Login' and 'Reset'
- Link for 'Forgot Password?'
- Link for 'New Registration?'
- A visitor counter at the bottom: 'Total Visitors since 14.06.2018: 314312'

The copies should be duly authenticated by the Head of the Institution on each page.

- ☞ Login into eNBA portal, click at “PQ/e-SAR” under “Application” and upload duly filled-in Self-Assessment Report (SAR) in the prescribed format, for further necessary action by NBA. Institution can also view SAR online submitted by it and save it as PDF.
- ☞ On submission of SAR, institution is invited to suggest dates for the visit and prepare itself for the visit as shown in Fig. 4. Submit five sets of dates for the visit spread over a period of five months. The institution is required to propose such sets of dates for the visit when the regular classes and all academic activities of the program applied for accreditation are on. Fig. 4: Propose Five Sets of Date for Visiting Team

3.2. Visiting Team to the Institution for Accreditation

- ☞ Once the Institution confirms the visit date, NBA constitutes the Visit Team. A typical accreditation visit is for 3 days. The Visiting Team consists of a Chairperson and two program evaluators for each program.
- ☞ While constituting a Visiting Team, NBA checks for the conflict of interest, i.e., expert must not be from the same state as of the institution and should not have any professional relation with the institution and program.
- ☞ The Complete Evaluation Process including composition of visiting team, criteria for nomination, General Policies for Team Formation, etc. have been elaborated in Part III of [General Manual of Accreditation](#).

4. Post- Assessment Stage

4.1. Processing of Evaluation Report

Processing of Evaluation Report submitted by the Visiting Team involves the following steps:

- ☞ Once the accreditation visit is completed, the experts prepare the evaluation report and submit it to the NBA.
- ☞ In respect of the UG Engineering programs, the report is first placed before the Moderation Committee. The Moderation Committee considers the Evaluation Report and find out the borderline cases. The observations of the Moderation Committee, for such cases are communicated to the institution for seeking necessary clarification within 10 days of submission of evaluation report. Response of the institution is sent to Chairperson of the Visiting Team.
- ☞ The observations of Moderation Committee and the response of the institution are considered by the EAC (Evaluation and Accreditation Committee) in the presence of Chairperson of the Visiting Team. In case of the programs of all other disciplines the evaluation reports are considered directly by the respective EAC.
- ☞ The recommendations of the EAC are considered by the concerned Sub Committee of AAC for taking a final decision on accreditation status. The final status of accreditation, as per the decision of Subcommittee of AAC, is communicated to the institution by NBA.
- ☞ If the institution is not satisfied with the accreditation status of the program, it can make an appeal against the accreditation status conveyed by the NBA by submitting an appeal within 30 days of the date of receipt of the communication along with the prescribed fee as detailed in [Fee Structure](#).

4.2. Continuation of Accreditation

Institutions that have already been granted accreditation for a period of three years, are required to submit the compliance report at least 6 months before the expiry of validity of accreditation along with the compliance fee.

On receipt of compliance report, a two-member Visiting Team of experts is constituted by NBA for the visit of the respective institution. The report of the visiting team is considered by the concerned committee in NBA for continuation (or otherwise) of accreditation for an appropriate period.
